

WINTeCH®

WINTeCH

FOR THE WINNING EDGE

WINTech products and expert services are just what you need for that winning edge in today's competitive market. Our unique product design, first class production facilities and excellent pricing are all key elements in producing the results you seek. We invite you to take a closer look at WINTech, and what we have to offer.

Factory

The factory site is located in Dong Guan, China, which is within 2 hours traveling distance from Hong Kong. The factory comprises of total floor space exceeding 30,000 sq.ft. Major equipment includes injection-molding machines, motorized assembly lines, metal workshop, spray painting and tampo printing equipment.

Engineering

The engineering and R&D department includes model makers and prototype developers. The factory also has well-equipped tooling workshops and experienced mold technicians.

Quality Control

The factory employs well-trained QC staff members, with in-house testing laboratory, for strict safety and quality control. Routine inspections are performed on incoming parts/materials and on finished goods prior to delivery.

CE ASTM ICTI ISO9002

Wintech and its products conform to the above standards
